Bondloc B7767 SILICONE LUBRICANT

Revised 03.08.10

## Bondloc B7767 Silicone Lubricant

### PRODUCT DESCRIPTION

B7767 is excellent for the more difficult release in the rubber, plastic and fibreglass industries. It helps prevent sticking to the moulds and cavities and also to the processing and fabrication equipment. It is also suitable as a lubricant for use on slipways, plastic fittings and as a polish/cleaner, particularly on plastic surfaces.

### APPLICATIONS

It has a wide range of uses in the automotive, food, clothing and furniture trades where the low toxicity lubrication properties of the silicone are ideal. Excellent release, lubrication and polish/shine applications. Silicone oil is WRAS approved for the use in potable water systems.

### USEFUL NOTES

- Exceptional release properties
- Non stick
- Low toxicity lubrication
- Aids cleaning and polishing

### INSTRUCTIONS FOR USE

Spray evenly from a distance of 25-30cm on to a clean dry surface, removing any excess with a clean cloth. Do not use this product where painting is in progress as it can cause surface defects to the paint.

### TECHNICAL FEATURES

Physical state	400ml aerosol
Appearance	Colourless liquid
Odour	Solvent
Auto flammability	Unknown for blend >200°C
Can pressure	3.5 bar
Product code	B7767

### STORAGE

Store in a cool area out of direct sunlight.  
Shelf life >12 months at 20°C

### HEALTH & SAFETY

This technical information sheet does not constitute a Material Safety Data Sheet (MSDS). Before using this product ensure you have read and fully understood B3298 MSDS. Pressurised container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use. Do not spray onto naked flame or any incandescent material. Keep away from sources of ignition.

### PRESENTATION

Aerosols.....400ml

PRECAUTIONS: This product and the auxiliary materials normally combined with it are capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Material Safety Data Sheets (MSDS) for this and all other products being used are understood by all persons who will work with the product. Warranty: All products purchased from or supplied by Bondloc are subject to terms and conditions set out in the contract. Bondloc warrants only that its product will meet those specifications designated as such herein or in other publications. All other information supplied by Bondloc is considered accurate but are furnished upon the express condition the customer shall make its own assessment to determine the product's suitability for a particular purpose. Bondloc makes no other warranty, either express or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or product will not infringe any patent.
